Case #4:23-cv-04155-YGR (N.D.Ca.)

01/10/2025

Thank You for your time your Honor,

I was sentence to 87 months for
Wire Fraud and Impersonator of U.S.
employee. On October 2, 2023 in
the Western District of Texas in
El Paso, Tx with the honorable Judge
Kathryn Cardone.

I was sent to Dublin California
on December 5, 2023 where I stayed
til April 17, 2023. On April 17, 2023
upon being dressed out I was
asked repeatedly if I was transgender
by Officer Woods and Officer
and was asked to lift my pouch
because they needed to see if
I wasn't hitting anything I wasn't
suppose to have. Then they
sent me out and an hour later
I was called back in a 2nd
time and had to dress out again
and there was a 3rd Officer now
and upon being searched I was
asked to lift my pouch and spread

my legs a little more so they can see if I had something there I then asked them what was it that they were looking for cause I could help them find it instead of having to go through this search and they said they were looking for contraband and all 3 started laughing They asked me to squat and lift twice then told me to get dressed I then got dressed left to get shackled and after 30 minutes they unshackled me and told me to go back in and wait because I wasn't leaving yet I then waited another hour and was called in to dress out for a 3rd time and there was now 4 officers and they asked me to do the same thing over again and this last time the 3rd & 4th officers bent down in front of me to see if I had anything unusual in between my legs and told me to get dressed and get

in line because I was finally leaving. I felt uncomfortable and when I was getting shackled I saw Asst. Warden Nash and told her all that happened to me and her response was "Don't worry about it, you won't even see them again", and walked off.

Upon arriving at Rehnum in Nevada I filed a complaint / PREA in regards to all that happened to me and spoke to the visiting Asst. Warden, Psychology, a Nurse, and a Psychiatrist and went over all that happened to me while leaving Dublin and was told someone would follow up with me wherever I went. It wasn't until September 26, 2024 that I was at Waseca that Dr. Swanson called me to speak to me in regards to my PREA and question me about me being sure that I was a Transgender. She asked me very intimate / personal questions that made me very uncomfortable and it was those that

She gave me a pamphlet about
Transitioning to becoming a Transgender.

A day later Nurse Weises, called
me so they could do a PAP smear,
Blood Work, and other test need
for my Prea, I refused it because
after being at Waseca for 5 months
they decided to take interest in
my Prea.

I am now 11/6/2025 @ Carswell, TX
where I have been for almost 3
months and have endured
harassment, retaliation, verbal abuse
from Unit Manager Ms. Rebella
in regards to my FRP being at
\$400.00 an amount I can NOT afford
to pay every month. I have spoken
to Warden Rule, Asst. Warden Phillips,
Ms. Rebella and Mr. Austin so that
my payment can be lowered and
they are refusing to lower it and
to talk to me. I've contacted OIG
and was told to talk to the
above said people and all they

have done is ignored me
everytime I try to talk to them.

I am also having problems
with Dr. Feliciaro who has
ignored every email and
request to speak to him
reference to me getting out
of the FIT Program. And I'm
being asked if I'm from
Dublin and that's when
things change.

I'm asking for your help to
be transferred back to Wasera,
And that my ERP payment be
lowered to a reasonable
amount so that I don't have
to file bankruptcy.

As of 1-10-25. I was or should I
say am no longer receiving
my FSA and when I asked
my Case Manager Mr. Austin
he told me he didn't know

anything about it and didn't direct me to anyone that could answer my question and give me an answer as to why I was no longer ELIGIBLE. These people here are retaliating against me as well as fellow AIC's that came here from FCI, Dublin. There is no one here that has a definite answer to any of my questions, concerns, or problems. They just pass me on to the next person in line.

Your Honor please help me resolve all these issues and do something with the way BOP Operates their FCI Facilities. Thank you for your time.

Sincerely
Ana Paredes-Hdz
